OTHER INFORMATION

Please check all that apply and complete relevant information.

- We currently have and maintain a congregational website.
- We send out a printed or electronic newsletter
- We have researched the demographic make-up of our neighborhood and compared it the demographics of our parish. MissionInsite is a good resource for helping your parish with this. (See Resources). Walking around your neighborhood can also help you learn. If you have done any kind of research, what three things did you learn from that research?

PROJECT INFORMATION

Please describe your intended project, and how a grant from the Diocese would be used to meet your goals. (4-5 sentences):

Target Audience:

Who benefits from your project? If, for example, you parish hopes to start a new liturgy, who are you hoping to reach by starting this new service?

Outputs:

Outputs are the products of your project. What will be produced using funds granted by the Diocese? For instance, if your parish goal is to grow through a new liturgy, the output would be the new liturgy.

Outcomes:

Outcomes are the changes that will occur due to the above outputs. The outcome of starting a new liturgy might be growth in numbers of members.

Budget:

Provide a detailed budget for your project.
